SPIRIT OF THE MOUNTAINS [9-00]

The mountains stand majestically,
For all of man's enjoyment.
And each the clan, engaged are we,
Full time, in that employment.

We trek the good trek past these hills, In search for answers to-A journ of faith our Father wills, O'er pathways right and true.

Set to this task, we faithful home, To'rd lasting, blessed peace; Unto that light, no more to roam, Till God our souls release.
